**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

See attached Examiner's Amendment.

### **EXAMINER'S AMENDMENT**

The application has been amended as follows: IN THE SPECIFICATION:

#### **ABSTRACT**

A method of covering a nipple on a human breast, the nipple cover having a center and including a flexible material for conforming to a human breast, the method including the method steps of placing the nipple cover directly on a human breast so as to cover at least about one half and less than all of the breast, with the center of the cover proximate the nipple; the nipple cover having a first thickness proximate the center and a second thickness proximate a periphery thereof, the thickness of the nipple cover gradually tapering from the first thickness to the second thickness, wherein the method further includes the step of being the nipple cover on the breast such that the periphery of the cover blends smoothly with a curved portion of the breast while concealing a nipple shape. – has been inserted.

#### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Brown whose telephone number is 571-272-4972. The examiner can normally be reached on 5:30 am-4:00 pm Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patricia Bianco can be reached on 571-272-4940. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
